

PRINCETON RESCUE SQUAD EDUCATION DEPARTMENT

701 Stafford Drive Princeton, WV 24740

POLICY: Handling and Disposing of Biohazardous Waste

Effective Date: August 2018

TITLE: Handling and Disposing of Biohazardous Waste

RATIONALE: To verify the appropriate handling and disposal of biohazardous waste.

POLICY:

The majority of the equipment used by Princeton Rescue Squad and the Education Department is disposable. If a disposable piece of equipment is contaminated it should be immediately disposed of in an appropriate red biohazard receptacle. Consult the Education Director, a field supervisor, or dispatcher if there is any doubt in your mind as to whether an item is disposable or reusable.

RESPONSIBLE PERSONNEL:

Faculty, Staff, Education Director
