---

701 Stafford Drive Princeton, WV 24740

---

**POLICY:** Annual Personnel: Program Resource Survey Analysis

**Effective Date:** September 2019

**TITLE:** Annual Personnel: Program Resource Survey

**RATIONALE:** To monitor the effectiveness of the institution through the solicitation of feedback from Faculty, Administration, the Medical Director, and Advisory Board Members.

**POLICY:**

An annual Program Resource Survey will be provided to members of the faculty, administration, the medical director, and advisory board members each fall to analyze the effectiveness of the institution in the following areas:

- Program Faculty
- Medical Director
- Support Personnel
- Curriculum
- Financial Resources
- Facilities
- Hospital Clinical Resources
- Field Internship Resources
- Learning Resources
- Physician Interaction

This evaluation should be conducted annually each fall. Results from this survey will be tabulated and provided to the advisory board for further analysis and suggestions for revision as necessary.

**RESPONSIBLE PERSONNEL:**

Education Director, Administrative Assistant
