

PRINCETON RESCUE SQUAD EDUCATION DEPARTMENT

701 Stafford Drive Princeton, WV 24740

POLICY: Performance Assessments and Grading Systems

Effective Date: August 2018

TITLE: Performance Assessments and Grading Systems

RATIONALE: To ensure that assessments and grading are consistent and meet the expectations and regulations provided by governing bodies.

POLICY:

The Education Director is responsible for ensuring that grading scales and performance assessments for all courses provided by Princeton Rescue Squad are and remain consistent with the expectation and regulations provided by governing bodies.

The grading scales, pass/fail criteria, and/or all associated documents regarding assessment will be provided to the students with the syllabus for each course.

Instructional faculty will adhere to the details found within the syllabus for the program in which he/she is required to teach.

RESPONSIBLE PERSONNEL:

Education Director and Instructional faculty
